Boys can wear swim trunks with a t-shirt and girls can wear their swimsuit under their shorts and t-shirt. Please bring towels and a change of clothes. Khan Academy & **Khan Academy Kids** are websites/apps your children can use for videos that tutor them in Math, History, Science, Language Arts, and more. **Khan Academy** is more structured with short video lessons and practice for 2nd grade - college. **Khan Academy Kids** is for ages 2-7, with thousands of interactive active activities that include both reading and math skills. It’s all free!

Our **6th grade Graduation Mass** is on Wednesday, June 15th @ 9 AM. Our short **“Moving Up” Ceremony** for all grades is directly after mass and graduation. Popsicles will be handed out in front of the school after the ceremonies. Students will be released at **11AM** or can go home earlier with parents.

We are working on an improved plan to share your fundraising (\$500 PK-6) and volunteer hour (30 K-6) invoice with you at the beginning of the 22-23 school year, but it’s not due until the end of the school year. We will send out regular updates to you as the school year progresses. This will also include publishing up to date volunteer hour lists of what needs to be done around the school and how many volunteer hours it is worth. For example, we currently need yardwork, painting, and some construction done in the gym. Because the office will now be keeping track of fundraising dollars earned and volunteer hours, we hope their availability to you and access to school information will make it easier on everyone.

Don’t forget to get your fees paid! This includes fundraising, library books fees, and lunch account dues. Records, report cards, and scholarships will be held until paid.

Thank you.
