Live auction: Class projects, trips, tickets to event, timeshare, vacation home, dog (last year this was a great success!), 2 pairs of earrings dinner for 8 wFr Cesar and the bishop. If you have an idea, please contact Kim

Silent auction: Every family is asked to bring a basket. Kim explained basket ideas from past auctions.

Items must be new, unopened. Some items can be combined with other baskets to create an even better basket!

Auction hours: Each basket is worth 1 hour toward auction hours. Helping at decoration work parties, setting up for auction, cleaning up after auction the Sunday after, food prep, are some of the ways families can earn auction hours.

Dessert Dash is back! Kim Snowdon and Janine Hubbard are in charge. Desserts must be 'auction worthy', elegant.

Champagne will be on each table. Looking for sponsors. (no wine pull)

Prime Rib will be served.

St Rose mugs will be available for \$100 with the chance to have tuition paid for the 2024-25 school year. This was well received at the last auction.

Financial Report: Laurie Dilling shared that we work with a budget. Report lists income and expenditures. Last year statements were sent out to families. Statements include the beginning balance charges with dollar amounts for volunteer hours and fundraising responsibilities. As hours were turned in and credits, the balance was reduced. This allowed St Rose to track each family's account balance. The statements were sent out monthly. Laurie welcomes anyone who would like to look at the reports to give her a call and set up an appointment.

Meeting closed with prayer by Amy Krautschied at 6:50

Respectfully submitted by Karin Buchmann, PDO secretary
