### Message From Principal

Lent begins this Wednesday with Ash Wednesday Mass at 8:30. Stations of the Cross will be held in the gym each Friday at 8:00. All are welcome to join us!

As a family, it is beautiful to be talking about the difference between a fast and a sacrifice. We can fast from food and drink during Lent to help us feel self denial and how we separate ourselves from God with things in

our lives. Sacrificing something that has created a poor habit is another way to purify your soul and ready yourself for Easter also though! We can help students find sacrifices to devote themselves to throughout the Lenten season. Some ideas are: making my brother or sister's lunch for them, promising to let others go first, try-

ing my best to not yell when I am angry, or thinking of positive attributes about people when they make us extra upset. These are all ways we can teach children to create good habits that are lasting long past

### Math is Cool

Congratulations to our 6th grade class for participating in Math is Cool. Emily Moore took 4th place in the individual category! Way to go Emily!

## HAVE YOU JOINED SCHOOL STATUS?!

Our new messaging app, School Status (class tag), is up and running! If you have not downloaded the app yet, it is very easy to use. This will allow each teacher and our central office to keep you up to

date on activities at school and to be able to communicate with you on a moments notice if there is an emergency at school. Snow days, emergency releases, lockdowns, and reminders of

fun activities will all be communicated through School Status. Thank you for your patience as we moved our system over.
