EARLY RELEASE STAFF PROF LEARN DAY	9 / 29 12:00

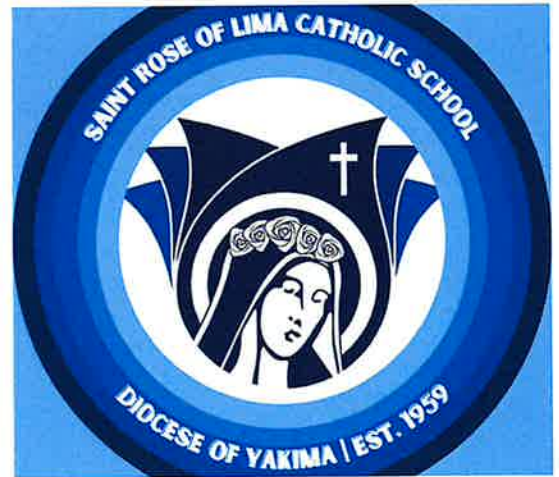

Message From Principal

What a fantastic first week of school! Thank you for getting information to the office to help our systems run smoothly. This year, our goal is to minimize the volume of emails and remind texts coming out to families on a daily basis. We will be sending a weekly email out each Monday. You can help us with this! Please pay close attention to this email as we will be

consolidating information.

Remind text will be used for just that. A quick remind. Remind will not be used to introduce an event. Our hope is to have all details

ironed out in our Monday emails, teacher newsletters and principal newsletters going home.

Thursday Mass

We have Mass each week at 8:30! Please send your student in Mass attire. (no shorts) Join us anytime! We love having family come to Mass.

Sept 7 6th grade Mass

Sept 14 4/5th grade Mass

Sept 28th 3rd grade Mass

SAFETY DRILLS

Each year, we practice 2 fire drills, 2 lockdown drills, and one evacuation drill. Our goal with every safety drill is for students to feel calm, confident and safe. We will approach each drill with a

note of importance but keep a calm demeanor. Fear is not needed to learn how to be safe. One fire drill and lock down will announced to you and students. Then we will have one of each unan-

nounced to test the efficiency of our procedures. These little souls you give us are so so precious to us.
