AUCTION SUCCESS!!!

We had an amazing auction! We raised \$120,000 just for the Fr. Kerr scholarship fund! Preliminary numbers will be out to you very soon. The masqueraders were beautiful and so fun to see attend. The gym looked amazing and many people approached me astounded at the

transformation. It truly take a village of talented selfless souls to pull off an auction of this size for close to 300 people. Not only to throw the auction, but to clean it up! We had so many helping at clean up, we were done around 2:00! Thank you everyone for all your support. Each family has pledged to fulfill 20 auction hours. These hours are how we make

this amazing night happen! If you still need auction hours, there are three spots available for post auction tasks. Please contact Jen Hickock or call the office if you would like to sign up. Hour statements will come out again at the end of November.

Did you know?

Did you know we celebrate the first snow that sticks to the ground with hot chocolate for the whole school?! One of the many beautiful traditions of our school.

DO YOU HAVE THE CHRISTMAS PROGRAM SCHEDULED?!

Are you new to St. Rose this year? Our Christmas program is more than a night of song! These amazing kids memorize lines, help create sets, and spend hours getting costumes and timing down. Mrs.

Couture has an amazing music talent and an incredible sense of humor to boot that won't disappoint you. Come and join us on December 17th at 6:30 in the school gym. The older

kids do the play first while the younger kids sit with you. At the end they all go up and sing Christmas songs to the audience. It is a night to remember! See you all there.

BLESSED ARE THOSE WHO HUNGER FOR RIGHTEOUSNESS

Each month, we learn about a new beatitude and how to fulfill that beatitude in our lives. Students are learning in November how Jesus wants us to hunger for righteousness and how their soul will be satisfied. They are learn-

ing what it means to serve others in their quest for righteousness. Learning to serve and not to receive is an important character trait. We will be learning today about St. John Bosco and his amazing life of service and right-

eousness. Ask your student today what righteous means and how they can serve others in their lives.

CONFERENCES/REPORT CARDS

This week is conference week! We will have half days Wednesday-Friday. Teachers will be meeting with each family on student progress for the first quarter. You will receive your student's

report card at conferences. If you had a 3rd-5th grade student last year, you will also be receiving their SBA, state assessment, score report at conferences.

Just a heads up, Fr. Cesar is out of town for the next 2 weeks. Nov 7th & 14th will be communion services with Mrs. K leading the service.
