## SBA Results are in!

### Smarter Balanced Assessment-SBA

This year, the state was able to get tests scored and reports available. If your student took the Smarter Balanced Assessment in 3-6<sup>th</sup> grade, test results will be included with their report card this Thursday. Please note, this is one small data point that helps guide our teaching, professional development and next year's intervention focus. No student can be compiled into one test. God has truly created us as unique individuals☺

### Bell Schedule for 2026-2027 School Year

Our bell schedule will look a bit different next year. Due to the deep level of religion, social skill, and character trait lessons being taught at morning meeting, the **tardy bell will ring at 8:00**. It is essential that all students are present and hearing the same lessons. The student of the month beatitudes we use as the foundation of our behavior system are taught at morning meeting all month long. A consistent message for all students present creates a Christ Inspired culture in our beautiful school. Our school day will be 8:00AM to 2:35 PM each day.

## Graduation Communion Service

This Friday will be our Graduation Communion Service at 8:30 AM. This will be our send off for 6<sup>th</sup> grade students leaving our elementary program to join our St. Rose Prep and Ephrata Middle School. Please join us to celebrate these students and the families that have spent years sharing their talents and treasures with our amazing school.

Family BBQ! Our family Bar-b-q is this Thursday! Please come and join us at 11:00 for an outside lunch to celebrate the coming of summer.
